## CREATION OF BUNDS: BLOCKING RIGHT OF WAY

Dear Lorraine,

I have been asked to seek information from you on behalf of residents at Hovefields Drive, who have received a letter from the BDC dated 29 July 2010 in which the Council expresses its intend thus: "a bund will be created around your plot."

The owners of the plots, wish to know under what lawful authority the Council proposes to create these bunds? If similar to those created nearby, they will clearly block the right of way onto their properties which they have a right to enjoy for any and every legal purpose or use within the terms of the greenbelt zone.

Please explain your legal authority for this action. Failure to do so may result in resort to legal remedies by the owners.

Hertsmere District Council has been challenged over the same action and has conceded that a right of way should not be blocked in this manner in these circumstances.

Sincerely,

Grattan Puxon
